Dear Recipient,

Thank you for your interest in Model Teaching professional development courses!

Model Teaching provides custom-developed online professional development courses and training materials to K-12 educators. Our copyrighted online courses and training materials are fully developed, designed, and wholly owned/operated by Model Teaching. All courses are also delivered by our licensed software platform which has been uniquely customized to deliver Model Teaching course content exclusively to teachers and educators. Model Teaching courses are also unique in content and structure. Their delivery through a customized learning management system (LMS) also includes custom-developed evaluation systems, digital resources, administrator tools, student materials provided, and are unmatched in terms of quality in the K-12 online professional development market.

This letter is to affirm that Model Teaching is a sole source service, created, sold, and distributed exclusively by Model Teaching. No division of Model Teaching or any other company provides the online professional development courses, materials, or content offered by Model Teaching. This product must be purchased directly by institutions from Model Teaching, at the address above. There are no other companies that offer this product or service. If you desire additional information, don't hesitate to contact me at (888) 828-7950 at any time or email me at spond@modelteaching.com.

Warm regards,

Shayna Pond
President, Model Teaching
